

BUCKS ART WEEKS

Soon the Amersham Art Trail will be available, but this time with a difference.

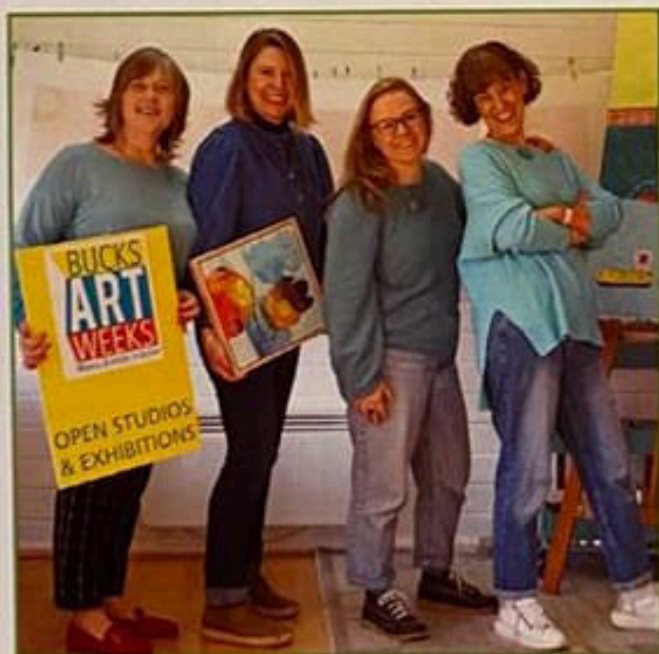

Instead of coming to Amersham households as a leaflet through your door, this year for the first time it will be printed as a centre page pull out within the great **YOURAmersham** magazine!

What exactly IS Bucks Art Weeks/Amersham Art Trail some of you might ask?

During 2 weeks in June, participating artists & makers open their studios, workshops, & exhibition spaces for free to the public in Amersham and around Buckinghamshire. You will receive a friendly welcome when you visit any of the artists to see their work. Maybe you will watch a demonstration, learn about a skill totally new to you, purchase something wonderful, or simply just enjoy the talent of amazing art available in Amersham.

So look out for the June issue of **YOURAmersham** and make sure that you **HANG** on to it !!

It's your key to visiting amazing Art on your doorstep and will have everything you need to know.
