

Bucks Art Weeks 2021 will be taking place throughout the county from 12–27 June – put the dates in your diary!

In the meantime, explore the website (www.bucksartweeks.org.uk) and browse through all of this years participating artists and makers. Perhaps, start considering who you may wish to visit. The world is opening up again – and there's so much to see.

This year, the free Special Edition brochure has been designed to work in tandem with the website. Available at fitch&fellows as well as many locations in the area, its larger images are intended to aid your choice of who to visit. And it's a wonderful keepsake beyond this years' event. All contact details of each artist, and a fuller experience of their work, are on their pages on the website as well.

Should you see something that you like, the exhibitors will be very happy to speak with you closer to the event, about their opening times, their work and discussing possible commissions.

During the event this year, the social media pages on Facebook and Instagram, will be alive with artists posts, images of their work and of their events. So make sure you check in to see what's happening throughout Buckinghamshire.
